

Hospital Dentistry Now Available

A service now available in the Wasatch County area is Hospital Dentistry. It is just what the name suggests, dental work performed in the hospital by a dentist. This service, very common in most large cities, is now available at Wasatch County Hospital.

For most of us this is a totally new idea, but is really the solution to many common problems. One such problem is the young child with severely decayed teeth, just too young to understand the purpose of a dental office. A geriatric patient who is unable to make several trips to the dental office could be served by Hospital Dentistry. A handicapped person would be well served by this program. Finally, the adult who has had traumatic experiences at the dentist's may find a need for Hospital Dentistry.

Of course, in all of these cases the first answer would be to try to work it out in the dentist's office. Ninety-five percent of the time, through gentle dental care, the work can be accomplished on even the most apprehensive dental patient. However, for the few who need special attention, Hospital Dentistry may be the answer for total health care.

Scott Danley, local dentist, performs operation on a patient at the Wasatch County Hospital. The hospital

is making access for such important operations available to local doctors.

Senior Citizen News

ATTENTION SENIOR CITIZEN'S:

Please make a note that the \$300.00 deposit in as soon as possible.

Club News

Attention: Lady Golfers

The Spring Membership Meeting of the Wasatch Ladies Golf Association will be held on Wednesday, April 11, 1984 at 12:00 Noon, at the Pro Shop of the Wasatch State Park Golf Course. ALL lady golfers from novice to advanced, are welcomed and encouraged to join, participate, and meet new friends this year.

Items scheduled for discussion at the Spring Meeting will be: membership registration, ideas for Wednesday play-days, tournament schedules, and a get-acquainted visit with Wasatch's number one golf professional, Bruce Summerhays.

If any ladies in the Wasatch, Summit, or Utah County areas would like to join this organization, please do not forget this important date.

For further information concerning the Spring Meeting, contact the office of Dr. Scott Danley, DDS at 459-4004.
